ARABIAN COASTAL MARINE SERVICES AND TRADING LLC, Is a leading high service provider of Industrial, Marine, Electrical, Pneumatic, Mechanical Plumbing and Electronics spare parts in Oman.

We have a good number of electrical, industrial, marine, and electronic, pneumatic, mechanical components and spare parts with our stock. With fast, easy access to over 35,000 stocked products, We will be able to provide you a solution for all your electrical needs. Our goal is to provide our clients with their requirements which may range from marine to general items.

We continually import electrical products from Germany, U.K, Italy, Turkey, Hong Kong, Taiwan, China, India, and other countries. Our clientele encompasses ministry departments, ship building and repairing companies, oil companies, steel industries, construction companies, and other major project initiating organizations in the gulf. Customer satisfaction has always been and will always be our priority. We have always stressed on the need to understand and identify the requirements of our valuable clients and provide them with the best quality of products and service possible. Now we are ready to serve you in Oman market.

We Provide Efficient Team :

Our staff is happy to work with you to re-design your space and provide you with the tools and resources you'll need to totally transform it in the safest, most cost-effective, and high-quality manner possible.
